

Hello leaders,

I hope that this letter finds you all healthy and safe. In the midst of all this chaos I thought I would focus on a happy thoughts summer camp. Unfortunately, we were unable to have our leader meeting so I am going to cover a few things with you in this email.

First, be sure to use the new BSA medical form available online

[CLICK HERE to go to the National BSA Website to download the appropriate 2019 Health and Medical Record](#)

As a reminder any scout who will be in camp for more than 72 must have a completed medical form. All leaders must present these to our medical officer prior to the start of camp.

Secondly, For scouts BSA weeks we will be having a Feed Jabba the Hutt your favorite dessert competition. So get your patrols working on perfecting their favorite desserts.

Scouts BSA leader I am attaching a copy of the merit badge selection sheet. Merit badge selection will go live on **MAY 18th**. Please encourage your scouts to use this time to work on any prerequisites that they can

Third, the Council is extending the deadlines for camp. The Early Bird price has been extended to **May 15**.

Campership deadline has been extended to **May 1**. Please reach out to parents to ensure that those adversely impacted by the pandemic have the opportunity to apply. Camperships are based on CURRENT need so please be clear in the justification why help is needed. Application fees are waived and unit signatures are unnecessary.

Forms can be dropped off at the mailbox near the door to the Scout Service Center or emailed to myself or Paul Knox (paul.knox@scouting.org). Limited funding will be available after May 1.

Fourth, as a part of doing a good turn daily we are asking units to bring nonperishable can goods to camp. At the end of camp, we will distribute the food to local pantries This is open to all scouts attending camp so please spread the word.

Finally, Cub scout leaders you will find an attachment for the Webelos and AoL selections. Please have you scouts choose prior to camp, Just like last year we will be breaking lower ranks into dens based on rank, Webelos and AoL will buddy up to head out to sessions each day.

I am also attaching copies of the leaders guides. If you have any questions that are not answered in the guides please do not hesitate to reach out to me.
