

Locating your Local Representatives

The best place to start is <http://www.house.state.pa.us/> the top right hand side of the screen has a link where you can enter your home address and the site will direct you to a list that includes your PA State Representative, State Senator, and Congressman. You can then link to their website from there. We have included some of the more popular addresses below. **It is a good idea to send a biography along with the letter, most senators and representative require one.**
