

Columbia-Montour Council, BSA
Camp Lavigne – Scouts BSA Summer Camp 2020
Merit Badge Prerequisites

CHEMISTRY

The following requirements must be completed prior to arrival at camp, if the Scout is to complete the merit badge at the end of his long-term camping experience this summer. A Scout should decide with his Scoutmaster's counseling and approval what merit badges he will work on at summer camp at least six weeks prior to his arrival. Numbers and letters refer to the requirements listed in the Merit Badge's worksheet/pamphlet.

If a requirement is not listed below, it can be completed at camp, unless otherwise specified while there.

Be sure use the most recent Merit Badge Pamphlet.

A Scout MUST bring proof of the completion of his prerequisites to camp.

- *Purchase the Chemistry Merit Badge book and read each section.*
- *Download the chemistry merit badge worksheet from the website:
http://meritbadge.org/wiki/index.php/Main_Page and bring it with you to camp.*

1. Do EACH of the following:

(c) Obtain an SDS for both a paint and an insecticide. Compare and discuss the toxicity, disposal, and safe-handling sections for these two common household products.

- *You can obtain a SDS for a common household chemical by using Google. Google search "SDS for Chemical Name." This will take you to the manufactures website and a SDS will be available there for free.*
- *Lab Lab Visit dates Wednesday June 17 from 6:00 - 8:00 pm and Saturday June 20 from 10:00 am - 12:00 pm.*
