

Columbia-Montour Council, BSA
Camp Lavigne – Scouts BSA Summer Camp 2020
Merit Badge Prerequisites

FIRST AID

The following requirements must be completed prior to arrival at camp, if the Scout is to complete the merit badge at the end of his long-term camping experience this summer. A Scout should decide with his Scoutmaster's counseling and approval what merit badges he will work on at summer camp at least six weeks prior to his arrival. Numbers and letters refer to the requirements listed in the Merit Badge's worksheet/pamphlet.

If a requirement is not listed below, it can be completed at camp, unless otherwise specified while there.

Be sure use the most recent Merit Badge Pamphlet.

A Scout MUST bring proof of the completion of his prerequisites to camp.

Purchase and read a copy of the current First Aid Merit Badge Book. (Available at the Council Scout Shop)

1. *Provide a written statement from your Scoutmaster certifying that you "have demonstrated ... that you have current knowledge of all first-aid requirements for Tenderfoot, Second Class, and First Class ranks."*

Bring with you to camp your "Personal First Aid Kit" (See Tenderfoot requirement 4d.) and be prepared to explain the contents and their correct use.

5. Do the following:

(a) Prepare a first-aid kit for your home. Display and discuss its contents with your counselor.

Your "First Aid Kit for the Home" (See Page 22 in the Merit Badge Book) is important and you should try to have one there. Due to the extensive nature of the kit and the significant cost to complete one as described, we will review one at camp during your course. Please review the contents list and be prepared to ask questions about how to correctly use those items.
