

Columbia-Montour Council, BSA
Camp Lavigne – Scouts BSA Summer Camp 2020
Merit Badge Prerequisites

REPTILE AND AMPHIBIAN STUDY

The following requirements must be completed prior to arrival at camp, if the Scout is to complete the merit badge at the end of his long-term camping experience this summer. A Scout should decide with his Scoutmaster's counseling and approval what merit badges he will work on at summer camp at least six weeks prior to his arrival. Numbers and letters refer to the requirements listed in the Merit Badge's worksheet/pamphlet.

If a requirement is not listed below, it can be completed at camp, unless otherwise specified while there.

Be sure use the most recent Merit Badge Pamphlet.

A Scout MUST bring proof of the completion of his prerequisites to camp.

8. Maintain one or more reptiles or amphibians for at least a month. Record the food accepted, eating methods, changes in coloration, shedding of skins, and general habits; or keep the eggs of a reptile from the time of laying until hatching; or keep the eggs of an amphibian from the time of laying until their transformation into tadpoles (frogs) or larvae (salamanders).
